DEDICATION

We dedicate this yearbook to the one and only Mr. Emmett Tierney, who has been a member of the Jefferson High School staff since 1955. He retired this year to his ranch where he plans to stay active with things he enjoys: horseback riding, fishing, painting, and gardening. . . We will never forget him as a teacher of social studies, science and math, as an advisor for the Horseman's Club and the Class of '71, as a director of Student Activities, and as a special friend. He'll never know how much we'll miss him. . . Mr. Tierney, Thanks for the Memories!

Three's company.

Foxes

I don't know what
you've been told;
but the INDIANS
got a lot of soul.
Not three,
not two,
but NUMBER ONE.
When they see us
they better run!

WE'VE
TOUCHED DOWN
TO
NUMBER ONE!

WE ARE THE CHAMPIONS;

HOMECOMING

HAPPY HOMECOMING Jefferson High School

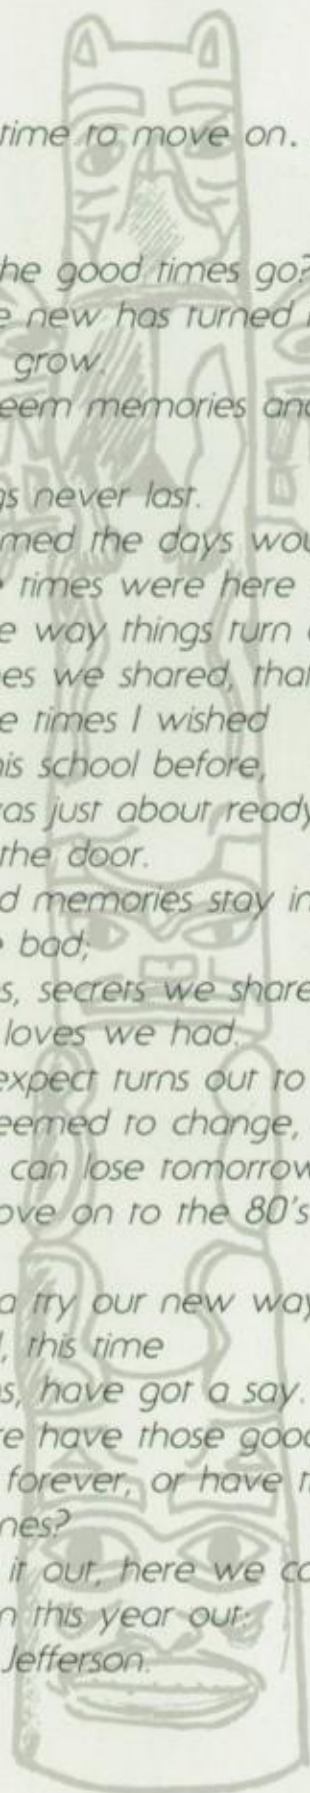

1979!

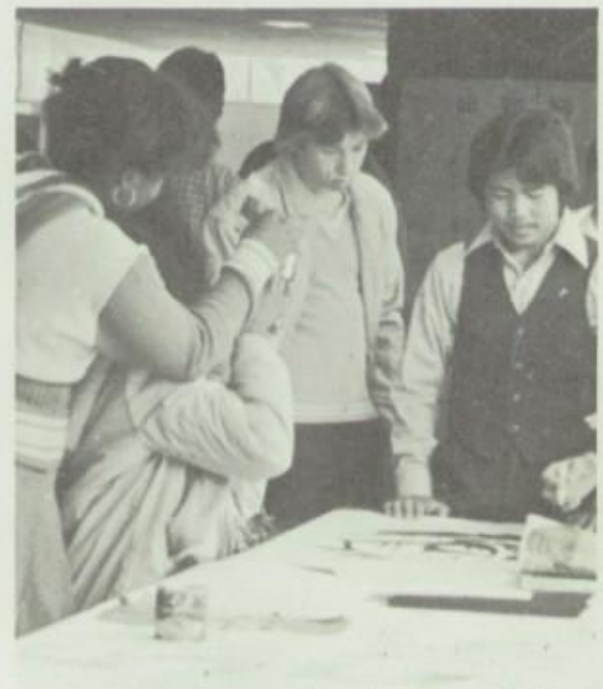

Yesterday. . . It's time to move on. . .

Tell me friend,
where do all the good times go?
All that was once new has turned mature
as it started to grow.
Why does it all seem memories and the past?
I guess it's true
the good things never last.
Years ago, it seemed the days would never end,
Now I wish those times were here again.
Yes, it's funny the way things turn out.
I miss the old times we shared, that's no doubt.
Remembering the times I wished
I never saw this school before,
And the day I was just about ready to give up
and walk out the door.
'Though the good memories stay in my mind
more than the bad;
All the live parties, secrets we shared,
and even the loves we had.
What you least expect turns out to be true;
Everybody has seemed to change, even you.
But, I guess, you can lose tomorrow by reaching back.
We've got to move on to the 80's and improve,
that's a fact.
Yes, we're gonna try our new way
Because, after all, this time
we, the Indians, have got a say.
Yes, friend, where have those good times gone?
Have they gone forever, or have they just been put aside
for the new ones?
Hello 80's, check it out, here we come.
We're gonna turn this year out
the people of Jefferson.

Christmas Posada 79-80.

The night of December 20, 1979 the Latin Heritage Club held 11th annual CHRISTMAS POSADA. The Posada is a Latin custom where families are brought together to share the love and remembrance of Christmas. Everyone, both young and old enjoy our Posada, which included a delicious dinner while Mariachis (Latin Serenaders) filled the room with lovely music. The highlight of the evening was the crowning of the Posada Queen, Mirella Gomez and the presentation of her court of elegant young ladies representing one of the many Latin countries. This lovely evening ended with the sounds of MARCO, The Guacamole Man's Disco. The Posada is a celebration rich in cultural tradition, combining the heritage of the old generation and the ways of the new generation.

A special thank you to Debbie Jolivet, last year's Posada Queen and to our two guests of honor, Justo Robles and Julius Castelan for all their help to make this evening a reality.

WILDERNESS SCHOOL

Building the climbing wall in the gymnasium (Jan. 1980).

The Community Environmental Education Program, Jefferson Wilderness School, began in 1967. It is a full time alternative class which provides students with an opportunity to learn through experiences. This develop a better sense of oneself and other people in worlds beyond the classroom.

C.E.E.P. is designed to involve young men and women in environmental, social, political, economic and cultural learning each semester.

The Wilderness School is a school within a school operated by one teacher and many volunteers utilizing the students' total environment as a classroom. It is self-supported through fund-raising projects which increase student skills in such areas as communications, budget management, and fund-raising techniques.

To be able to learn, you must be able to change and to grow. To be able to reach, you must be able to share what you know.

Working within the comfort of the community and the unfamiliar surroundings of the wilderness, each student has the chance to grow and realize that they do make a difference.

The freedom to do is more important than the freedom to do nothing.

"A TRIBUTE TO GIRLS' SPORTS"

Here's to you, our Jefferson lady athletes,
Athletes, and great ones, to be sure;
You drove yourselves to make your teams great, as well,
And many agonies you did endure.

Boys' sports seem to get all the attention,
But that didn't hinder you in the least;
Your strength, determination, team spirit
And overpowering performances never ceased.

Male athletes, they say, bleed sweat and kill,
But there is one thing that you can be sure is true:
Female athletes may be females,
But especially Jefferson's,
Bleed sweat and kill, too.

JUNIOR VARSITY FOOTBALL

*The Junior Varsity Football Team pictures or names were not obtainable, so the yearbook staff would just like to say thank you for working so hard and being so dedicated to the team and school. J.V. Football Players . . .
Thank you for being a part of Jeff.*

The Yearbook Staff.

Badminton, baseball, gymnastics, swimming, boys' tennis, and track all have one thing in common: they are all spring sports, the sports that seem to be overlooked by the yearbook staff. Few or no action shots appear and few words are written about them.

Because the yearbook company deadline marks the beginning of the spring season, it is difficult to give the sports fine coverages.

The 1980 yearbook staff is trying to change all that because our students, our faculty, our administration, and our teams ARE Jefferson High School.

Jefferson badminton, baseball, gymnastics, swimming, boys' tennis, and track, we honor you.

Thanks to you, we're Jefferson High.

This page is dedicated to the loyal young men and women whose time and efforts greatly contributed to their respective teams.

For the long seasons and the many hours they spent on the job, their only rewards were being part of the team, being part of the excitement - and being part of history.

To those who recorded statistics, to those who tallied the points, to those who endured uncomfortable weather to guard the game ball, to those who counted the seconds . . .

thank you.

. . . And many more.

"LINDA McLEAN, AN EXEMPLARY YEARBOOK ADVISOR"

Unavoidable occurrences at the beginning of the '79-'80 school year detained the organizing of this yearbook. When those obstacles were hurdled, Linda McLean, Jeff's yearbook advisor, consecrated herself, as usual, to making the yearbook worthwhile.

Mrs. McLean took time during her maternity leave to arrange the yearbook, making phone calls here and there, and leaving instructions to her yearbook staff at school.

When she returned to school, she strived to meet and beat deadlines to compensate for lost time.

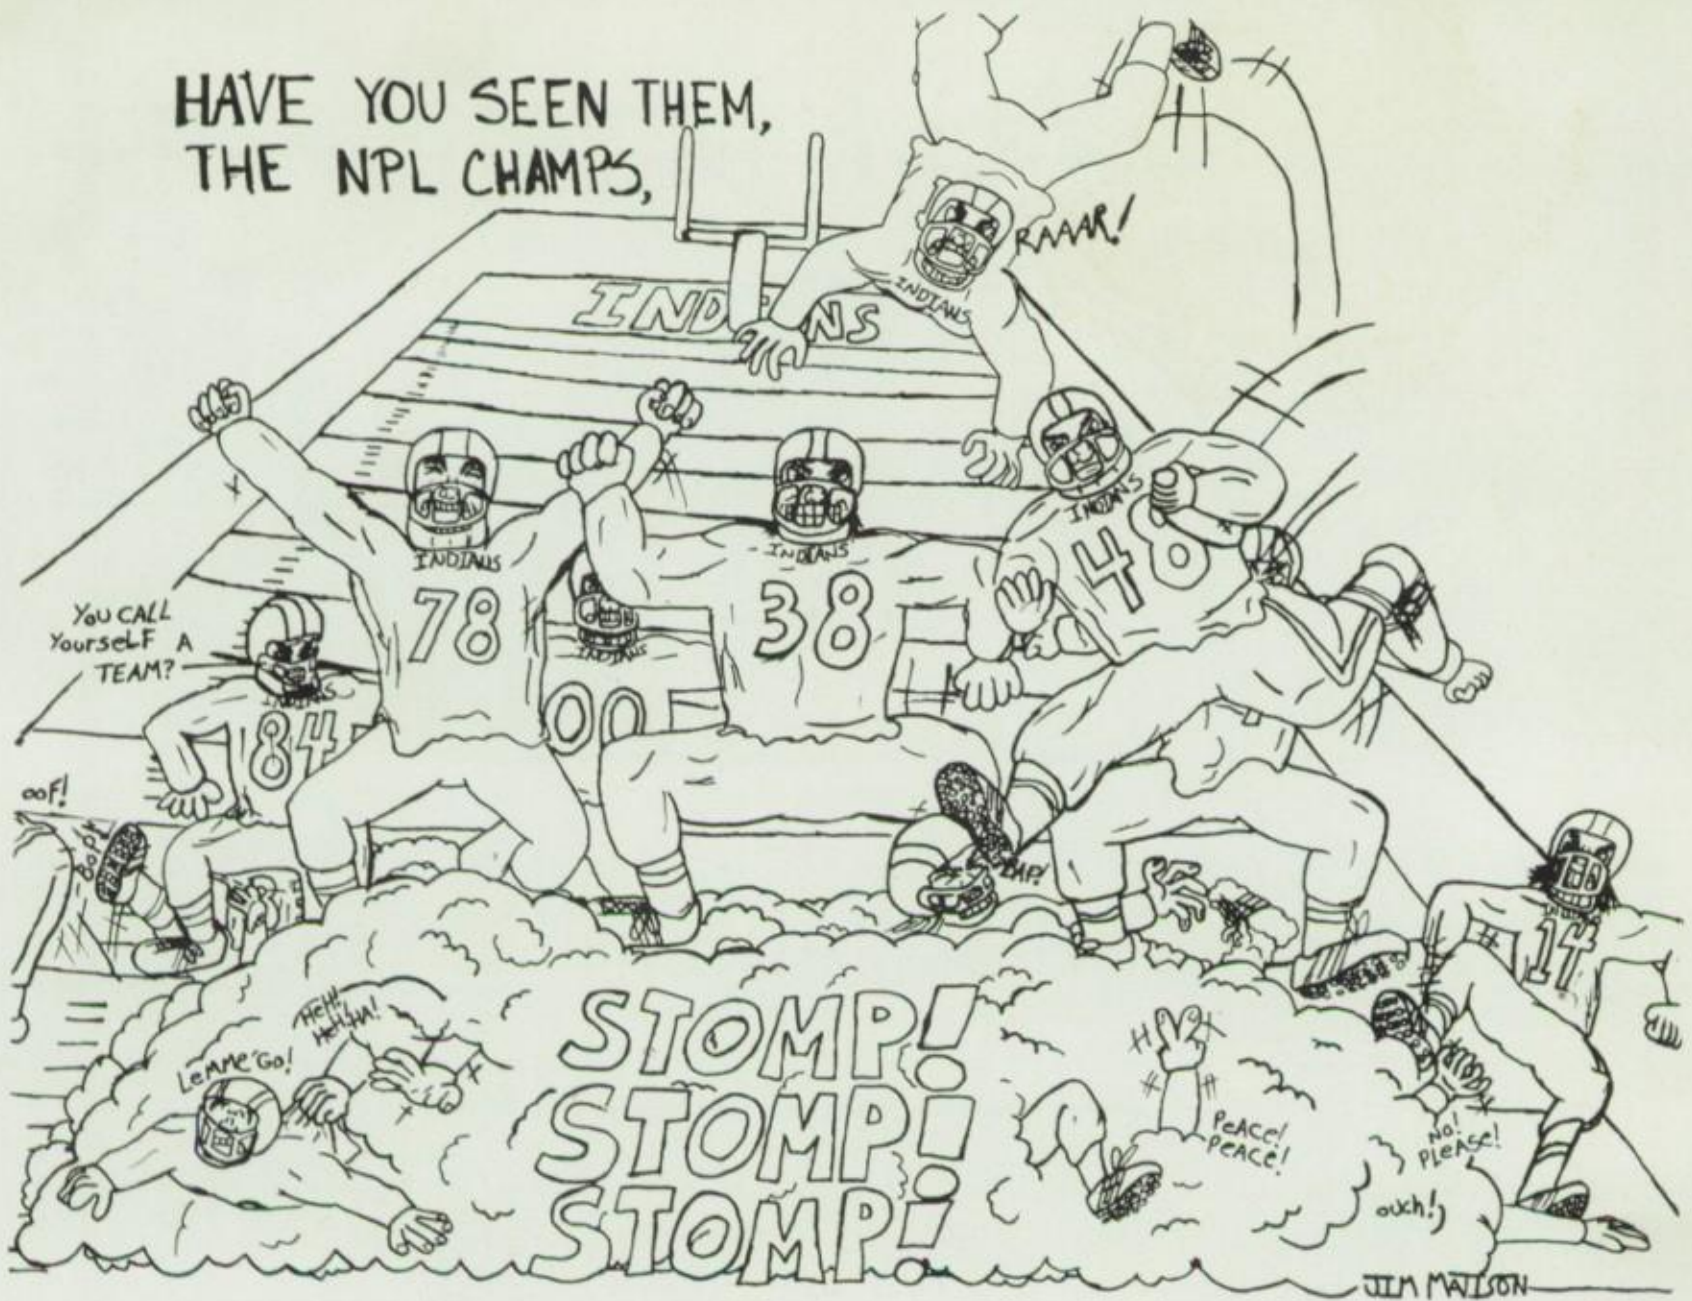

Thank you, Mrs. McLean, for your amazing feats and unselfishness and dedication.

Thank you.
